# VARIABLE WORKFORCE SOLUTIONS FOR YOUR BUSINESS

## THE EXTRINSIC ADVANTAGE

At Extrinsic we focus on becoming a trusted partner with our clients. Whether providing comprehensive contractor management services or supplemental resource solutions, we listen and learn about our clients before ever discussing how we can meet their needs. It is common sense to us, but far from common in our industry.

# Manage your technology investment; Extrinsic manages the contractor workforce

EXCEPTIONAL IT SOLUTIONS

Integrating and maintaining large enterprise-class software applications is a highly complex operation, and it becomes even more complex without the best talent. Extrinsic was created specifically to alleviate the frustration and strenuous demands placed on project management teams that need to utilize a variable workforce.

We deliver and maintain high-quality talent while providing competitive pricing, without the usual overwhelming flurry of faxes or e-mails.
